28th May, 2014

INVITATION

Dear All,

On behalf of ELARD I am pleased to invite you to participate to the conference “**Community-Led Local Development at the Dawn of 2014-2020**” organized in partnership with the Permanent Representation of the Czech Republic to the European Union, which will take place in **Brussels, Rue Caroly, 15, on the 28th of May 2014 at 9:30 am.**

The conference will gather European institution representatives, representatives of Managing authorities and stakeholders from different countries with the objective to showcase how CLLD will be used in the future programming period in different countries. As the operational programmes in all countries should be closed by mid-July, the knowledge and best practices gathered by this event could serve as negotiating tools in the future.

Find more information in the agenda in the attachment below.

Additional practical information will be provided shortly.

**In order to secure your place in the event, we invite you to register** as early as possible by sending an email to [alena.kolarova@elard.eu](mailto:alena.kolarova@elard.eu) or [elard@elard.eu](mailto:elard@elard.eu). The deadline for registration is on 20th of May.
